Automatically detects and indicates Low Voltage (12-48 Volts AC) and Standard Voltage (48-1000 Volts AC), allowing broad application. The NCVT-2 is a convenient, compact tool that helps you work safer and faster.

High Intensity Red LED and Continuous Warning Sound when voltage is detected.
Non-Contact Voltage Tester (NCVT-2)

**Features**

- Automatically detects and indicates low voltage (12-48 Volts AC) and standard voltage (48-1000 Volts AC), allowing broad application.
- Non-contact detection of standard voltage in cables, cords, circuit breakers, lighting fixtures, switches, outlets, and wires.
- Non-contact detection of low-voltage in security, entertainment, communications, environmental control, and irrigation systems.
- High intensity, bright green LED indicates the tester is operational and aids in illuminating the workspace.
- Digitally controlled ON/OFF power button.
- Auto power-off feature conserves and extends battery life.
- Microprocessor controlled low-battery indicator.
- CAT IV 1000 Volt rating provides expanded operation and protection.
- Lightweight durable polycarbonate plastic resin construction with a convenient pocket-clip.
- Package contains insert card w/ integrated owner’s manual and 2 AAA 1.5 volt batteries.

**Voltage Detection Indicator:**

<table>
<thead>
<tr>
<th>Voltage Range</th>
<th>Audible</th>
<th>Visual</th>
</tr>
</thead>
<tbody>
<tr>
<td>12 TO 48 VOLTS AC (Low)</td>
<td>Low-Pitched Pulsing Beeping Sound</td>
<td>Green LED Turns OFF and Red LED illuminates continuously.</td>
</tr>
<tr>
<td>48 TO 1000 VOLTS AC (Standard)</td>
<td>High-Pitched Continuous Beeping Sound</td>
<td>Green LED Turns OFF and Red LED Blinks (approximately 2-times per second).</td>
</tr>
</tbody>
</table>

**Low Battery Indicator:**

- Visual: Green LED Blinks
- Audible: Warning Tone

**Power Off & Auto Power Off:**

- Visual: Power On LED Turns Off
- Audible: Double Warning Tone

**WARRANTY:**

Klein electronic test and measurement devices (and accessories), manufactured and sold for commercial or industrial uses, are warranted to be free from defects in materials and workmanship for two years from the date of purchase (unless otherwise noted on the product packaging). THERE ARE NO IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS. At its option, Klein will repair or replace, or refund the purchase price of, any product which fails to conform to this warranty under normal use and service. In no event shall Klein be liable for incidental or consequential damage. This warranty does not apply to batteries.

**WARNING:**

- Do not use if tester appears damaged or if the tester is not operating properly.
- Always wear approved eye protection.
- Do not apply more than the rated voltage as marked on the tester (1000 volts AC).
- Before each use, verify operation by testing a known working circuit that is within the rating of this tester.
- Do not apply more than the rated voltage as marked on the tester (1000 volts AC).
- Always wear approved eye protection.
- Comply with local and national safety requirements.
- If this tester is used in a manner not specified by the manufacturer, protection provided by the tester may be affected.

**Disposal:** Please do not throw tester or batteries in trash; please recycle.
